October 2015

SAFER; CLEANER; BETTER; GREENER.

The Killarney-Riviera Village Fair

On Saturday 24 October 2015 we will be holding our annual community event in the park – which we are branding this year as the Killarney-Riviera Village Fair.

We will be having a range of events, including sporting-type competitions for children of various ages. There will also be a humungous jumping castle, child-friendly reading and dancing workshops, and face-painting and cupcake-decorating for the smaller children.

We will start with a free yoga class at 9am, and there will also be various stalls for food, drinks, etc as well as other activities, and live music throughout the day.

All residents and local businesses are welcome to set up a stall at no charge, and trade with the public. You will need to bring your own furniture, but water (and hopefully power) will be available. Additional food and drink stalls would be particularly welcome.

Bring the family, bring a blanket to sit on, bring your pets and some other friends, and join us under the beautiful blooming jacarandas for a pleasant summer day in the fresh air!

Playground equipment in the Park:

The NKRA is raising funds to buy and install playground equipment in the Killarney Park in 4th Street, which is our only public area and green lung.

The aim is to provide a safe and fun space for the many children in our neighbourhood to play together, as many buildings have no play areas at all. The structure will also accommodate exercise apparatus so that older children and adults can use it as an outdoor gym, making it a multi-purpose investment.

People have been donating very generously indeed to this cause, and we have raised over R30 000 already for this project, but still more is required. We are therefore asking for additional donations of any size please, to help make Killarney an even better place to live!

We-Love-Killarney Instagram competition:

We are running an instagram competition leading up to the Killarney-Riviera Village Fair on 24 October, under the theme of “What do you love most about Killarney-Riviera?” We invite everyone to photograph the various scenes in the area which you find most appealing - your favourite plant, pet, pothole etc, and share it with us on instagram at @welovekillarney #2015photocompetition for all to enjoy. The judging will be done on the basis of “most likes”, and will be announced at the Fair. A prize will be awarded for the “most loved” photo.
