## ***Park off in peace:***

For the last few months the security company Vision Tactical has provided the community with a Park Ambassador, to help make the park a safer and even more welcoming oasis. They are providing this service at no cost to the community. We are very grateful to Vision Tactical for this very valuable contribution.

## ***Security synergy:***

Community security projects such as CAP are effective, but are also very expensive. However if all the buildings in a street use the same security service-provider, then the overlaps and synergies provide essentially the same result, for little or no extra cost. "Visible Policing" is an excellent deterrent to criminals, so having guards out on our pavements is one of the best ways to protect parked cars, driveway gates and perimeters.

### ***Playground in the Park:***

With the input and approval of Johannesburg City Parks and Zoo, the NKRA has installed some new playground equipment in the Killarney Park in 4<sup>th</sup> Street. This was paid for with funds donated specifically for this project by a few very generous individuals and bodies corporate. It was wonderful to see so many children of various ages enjoying it over the holiday period.

Along with our new netball pole, the repurposed bird-bath, the new drinking fountain and all the new plants, our park is really going from strength to strength. The substantial rains we are enjoying these days are also helping to make things lush and green.

***Watch this space:*** More equipment and facilities will be coming in the months ahead, to make our park even more enjoyable.

### ***Safe Parking:***

Killarney Mall has made some parking bays available for residents to rent as long term and overnight parking. The parking entrances are at the eastern ends of 4<sup>th</sup> Street and 5<sup>th</sup> Street, and are secured with electric gates, a parking boom, CCTV cameras and remote control access. The Mall is offering a 6 month special of R250pm, and thereafter residents who wish to continue can sign a 12 month contract for R300pm, with annual escalations. Interested people can call to enquire on 011 646 4657.
