Park improvements

The drinking fountain in the Park, which was sponsored for us by Nomsa Nene Properties, has now been decorated with artwork by the South African artist Drew Lindsay.

The artwork depicts some of the wild birds that frequent the park, namely the grey louries and the hadeda's.

Community Day in the park

This year, our annual community event in the park will be held on Sunday 30 October. Businesses and residents are welcome to set up stalls, free of charge. If you wish to participate in any way, please do get in touch.

NKRA wins an award

The NKRA was recently honoured by the South African Planning Institute, with their National Planning Award 2016 in the institutional category “Great Places”. The award was in recognition of our efforts over the years to improve our public spaces, in particular our “adoption” of the municipal park in 4th Street Killarney.

NKRA Street-cleaning Project:

We are delighted to announce that the security company RCS will be sponsoring a new street-cleaning project. The project will clear the litter overflowing at the public dustbins in the area, as well as litter on the pavements and gutters. This sponsorship will add a great deal of value to the suburb.

Lhenveolan in 1st Street:

The renovation of the Lhenveolan building in 1st Street is proceeding slowly. The underground parking has been waterproofed, the revamping of the lobby is almost finished, the lawn has been replanted and now they are busy renovating the interiors of the apartments. They are using high-quality finishes, and when it’s finally finished the building will be an asset to the area. The exterior will be repainted as the final step, so this part of the project won’t be completed for a while still.
